

SCORE ON DAVIE COVID-19 SAFETY PLAN

In accordance with WorkSafeBC we have implemented the following protocols and have taken the following steps to reduce the risk of person to person transmission and maintain physical distance.

- Anyone experiencing symptoms of COVID-19 (customers & employees) will not be permitted on premises
- Maximum size of parties permitted to sitting together is six people
- We are operating at a reduced capacity allowing _ people in the restaurant at once
- All tables allow for 2m/6ft of space between guests
- floor decals installed to facilitate physical distancing
- We have removed tables to allow for 2m/6ft of space
- where tables are not 2m/6ft apart a plexiglass barrier has been installed
- If employees are unable to maintain 2m/6ft of space the use of masks is mandatory
- Contactless menu's are encouraged
- We have established cleaning protocols and a sanitizing policy
- We have established occupancy limits for our staff area, office, washrooms
- We have reduced the number of employees in the building at once
- We have created a specific path within the restaurant to promote one way traffic
- Hand sanitizer will be available at the door and at each individual table and bar seat and near all service areas for staff.
- We have installed barriers to cover kitchen windows exposed to high traffic areas
- We have developed new steps of service to include extra sanitizing steps
- We have provided our staff with safety training regarding these steps of service
- All food delivery/takeout will be processed at the door and not within the restaurant
- Employees have a health and safety contact person on shift at all times
- Handwashing procedures have been developed and signage posted
- Tables between seating will be sanitized
- All items touched will be put through a specific sanitizing process
- Bathrooms will be cleaned on a more frequent basis
- Cleaning schedules have been established and a tracking system has been implemented
- Cleaning protocols for all common areas and surfaces have been established
- Employees have been trained in workplace policies and procedures
- Supervisors trained to monitor workers and the workplace to ensure policies are being followed
